WELCOME to The Hague

Dear Industry Partners,

The World Congress on Recurrent Pregnancy Loss (WCRPL) is the premier event for bringing together experts from around the world to share the latest research and clinical advances in the field of Recurrent Pregnancy Loss (RPL). The Congress gathers every year experts from around the world lectured on a wide range of topics including presentation of new, cutting-edge research, effects of obesity on RPL, progesterone treatment, the role of surrogacy in RPL, uterine malformations and more.

We are proud to welcome you in The Hague for the 8th edition of WCRPL, from 16 – 19 March 2027 in The Hague Conference Centre.

In 2027 the congress will cover a wide range of topics related to RPL and high-risk pregnancy (perinatology), including:

- The latest research on the causes of RPL
- New diagnostic and treatment options
- The emotional and psychological impact of RPL
- The role of patient advocacy
- The significance of lifestyle in increasing the change of live birth

The congress will also feature a special focus on women's health equity. We believe that all women should have access to the best possible care, regardless of their race, ethnicity, socioeconomic status or geographic location.

These 4 days of face-to-face meeting will be a great opportunity for scientists, healthcare professionals, partner organisations and industry representatives to come together and share knowledge, latest research and best practices.

We very much look forward to your participation in an outstanding congress in The Hague, a city that stands for international law, coherence and equality and innovation in all fields.

We hope that you will join us for this important event. The World Congress on Recurrent Pregnancy Loss is the perfect opportunity to learn about the latest advances in RPL and network with experts in the field.

Together, we can make a difference for woman with RPL.

About Us

The International Society of Recurrent Pregnancy Loss

The international Society of Recurrent Pregnancy Loss (ISRPL) is dedicated to advancing and understanding prevention and management of recurrent pregnancy loss. Through fostering research, providing educational resources and promoting a multidisciplinary approach, we aim to support affected individuals and families while contributing to global improvements in care.

We want to be a leading advocate and resource for breakthroughs in the understanding of recurrent pregnancy loss. We strive to create a world where recurrent pregnancy loss is effectively prevented, diagnosed and managed, ensuring that those affected receive compassionate support and state-of-the-art care.

The congress' objectives

The WCRPL is an outstanding opportunity to:

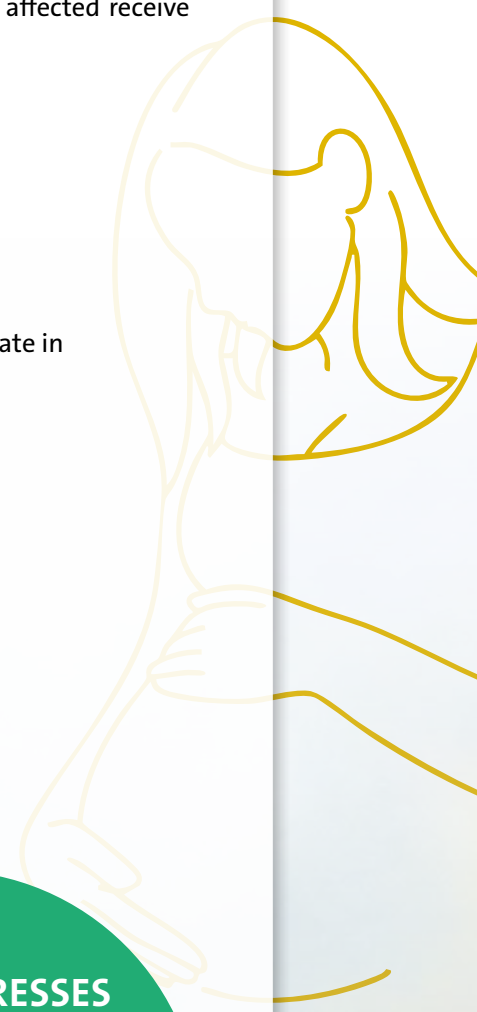

- Learn about the latest research on the causes of RPL
- Learn from the beginning how to manage couples with RPL
- Discuss new diagnostic and treatment options

Sponsorship and Exhibition Opportunities

The Local Organising Committee of the WCRPL 2027 extends a warm invitation to all interested companies and organisations to demonstrate their support for RPL by participating in one or more of the options outlined in this document.

Why become a sponsor / exhibitor of WCRPL 2027?

Industry partnership is at the heart of this event

Our sponsorship packages are thoughtfully designed to align with the commercial goals of our industry partners. We offer a variety of opportunities for brand visibility, name recognition, and meaningful networking.

Involvement in WCRPL 2027 is all about building brand awareness

Our exhibition is strategically positioned to maximise engagement by being located in the same area as the tea and coffee breaks, lunch periods and poster sessions. Additionally, the Welcome Reception on 16 March 2027 will be held in the exhibition area, offering exhibitors extra exposure in a relaxed, social atmosphere.

We offer a wide range of sponsorship opportunities to suit every budget, ensuring your brand remains top of mind with prominent visibility across digital and printed materials before, during, and after WCRPL 2027. In addition, for sponsors who would like to demonstrate their products there may be an opportunity to do this during one of the Industry sessions.

Meet new contacts and strengthen key relationships

Maximizing networking opportunities for our delegates is an important priority. We work hard to provide places for formal and informal networking.

EACCME-accredited event

We are in the process of becoming an EACCME-accredited event and therefore our partners and WCRPL have rules to follow. Please advise the congress secretariat if there are any questions about your wishes and what the possibilities are within the regulations.

** Industry sessions are exclusive for Diamond and Platinum partners and are held outside of the scientific programme.

Exhibition

The WCRPL 2027 exhibition will be a hub of activity. As an exhibitor, you will benefit from prime exposure and direct marketing opportunities with key players and decision-makers in the field. A well-designed exhibit helps you attract interest, develop new leads, and create links for future business, while simultaneously enhancing the educational value of the Congress for attendees. This is a unique platform to showcase your services, research, technologies, and products in allied fields and related disciplines, providing the perfect forum to distribute information and promote your offerings.

The floor plan has been designed to maximize the exhibitor exposure to all participants. Coffee and lunch breaks will be held in this area as well as the poster presentations. The exhibition will be open during the entire Congress. Exhibition space is offered on a first-come, first served basis and gives priority to higher tier sponsors, and the organisers reserve the right to amend the floor plan. In the unlikely event that this happens, exhibitors will be notified.

The exhibition spaces consist of two options:

OPTION 1: EXHIBITION TABLE

- 1 x high table with 1 m² space for own banners
- 2 x high chairs
- access to electricity and free WIFI

The sponsor/exhibitor should bring a roll-up banner to place next to / behind its table.

OPTION 2: EXHIBITION BOOTH

- 3x2 Shell scheme (black system walls)
- Fascia black with name panel per stand
- 1x wall socket till 1kw
- Spots LED 15 watt on rail (1 per 3m²)
- One table & four chairs
